HAMPSHIRE
HORSEWATCH

DATED August 2011

There are a number of Tack Marking Boxes situated around Hampshire and the Isle of Wight.

The Boxes can be loaned out to members and non members in order that they can Mark their tack with a Post Code. Each box contains a set of letters and numbers Stamps plus a hammer. [There are instructions in each box.](#) There is no fee but any donation to Hampshire Horsewatch will be gratefully received.

The Tack Boxes are purchased either through the support of Hampshire Police Authority or donations. In some cases Police Stations have purchased their own tack marking kits.

Some tack marking kit contains an engraver and scanner. These are indicated on the schedule below.

Tack should be marked as follows your house number followed by the code

Example 13 GU51 5QQ

If the tack is sold on then an X should be added to the end of the code

REMEMBER IF YOUR TACK IS STOLEN AND HAS NO POST CODE OR OTHER IDENTIFYING MARK THEN THERE IS VERY LITTLE CHANCE OF IT BEING RECOVERED. A POSTCODE WILL IDENTIFY AN ADDRESS AND A LOSER.

IF YOU ARE BUYING TACK WITH A POST CODE ON IT AND THE SELLER IS NOT SOMEONE YOU KNOW ASK YOURSELF A QUESTION – AM I ABOUT TO BUY SOMETHING THAT’S STOLEN? IF IN DOUBT

LOCATIONS**

REMEMBER THE CODE, WHO THE SELLER IS, HIS/HER CAR NUMBER, ADDRESS - CALL THE POLICE SO ENQUIRIES CAN BE MADE. POST CODING MAKES SENSE: IT MAY PREVENT A THEFT, IT MAY HELP RECOVER STOLEN PROPERTY, IT MAY CATCH A THIEF OR HANDLER OF STOLEN PROPERTY

Tack Marking Boxes – Locations and Contact Details

Police Officers unless otherwise indicated can be contacted via the Hampshire Constabulary central switch board number. For best practice ask for the Force Enquiry Centre operator and then request an internal e mail message be sent to the officer with your requirements.

Alternatively e mail equine@hampshire.pnn.police.uk

Microchip scanners are held by named individuals indicated by the word “SCANNER”
